I personally think mature women make the best phone sex operators. There are many reasons for that, one of them being that they've seen it all and know exactly what they want.

### **Mommy Sissy Telephone Sex connection.**

**1-888-212-5362**

Perhaps it's the mother in all of us, but there is something especially erotic for a woman to take care of her man, be the mommy and treat her little baby man like a sissy. Get yourself a real pampering session and come out like a sissy. That's what you want, don't you?
